## **Businesses are Opening their Doors to introduce Employment Opportunities for Care Experienced Young People**

Welcome to a **Great New Year of Employment Pathway Opportunities...**

These employability briefings are created to provide Looked After Children & Care Leavers (aged 16-25) with an insight into the world of employment - A starting point for further career aspiration & development.

Helping our care experienced young people move closer to long term sustainable employment.

**This year**, the Achievement Service are offering everyone of our young people who attend three Employability Briefings, **the opportunity to claim an Achievement Award**.

All the young people have to do, is to send an email to [achievement@nottsc.gov.uk](mailto:achievement@nottsc.gov.uk) for the attention of Rebecca Dixon, stating their name, the three briefings they attended, something they learned from attending the briefings and what their next step is towards getting closer to gaining employment.

- **Don't forget to send the details of the young people and support workers wishing to attend the briefings to: [Rebecca.dixon@nottsc.gov.uk](mailto:Rebecca.dixon@nottsc.gov.uk)**
- Rebecca will be able to provide you with the Employability Briefing Flyers, detailing the briefings for your further deliberation

**As a Careers Advice and Guidance Provision, they are proving to be an invaluable resource.**

**They are for all of our young people**, whether at college or in training, in a higher education setting or not currently engaged in Employment, Training or Education.
