

The Alex Timpson Trust – Helping Children to Shine

Free Holiday

The Alex Timpson Trust is the official company charity of the Timpson Group.

Alex Timpson MBE died in January 2016. She fostered 90 children. In tribute to Alex and the huge contribution she made to championing the rights of looked after children, the Timpson family has established a new charity in her honour – the Alex Timpson Trust.

The Trustees of the Alex Timpson Trust know all about the importance of quality family time. They will provide **FREE** holidays for foster families in one of three holiday lodges Devon, North Yorkshire and Wales.

You can apply by completing the form in their leaflet which can be picked up in any Timpson, Max Photo, Johnsons or Timpson at Morrisons shops.

Applications will be open between 1st July – 31st August 2019.

These three great holiday homes are in fantastic locations in Devon, North Yorkshire and Wales with a range of family-friendly facilities and are well-equipped.

To qualify, you must have been fostering for two years or more. The holiday is only available for foster carers who can go with or without the foster children and can take other family members. No pets allowed. A panel will make the final decision about who is the most deserving.
